If the P.O. follows any previous offer or proposal from Seller, SFL Industries' acceptance of any such offer or proposal is expressly made conditional on Seller's assent to the additional or different terms contained in the P.O. Absent SFL Industries' express written acceptance or confirmation of any such previous offer or proposal from Seller, the P.O. is not acceptance or confirmation of any previous offer or proposal from Seller, and the P.O. shall be deemed to be a rejection and counter-offer with respect to any such previous offer or proposal. Acceptance of any of the Goods shall not be construed as an acceptance or confirmation of any such previous proposal or offer. Seller shall be bound by the P.O. when it commences production or delivers to SFL Industries any of the Goods ordered, or when it performs any other act constituting legal acceptance, whether or not any such acceptance or confirmation purports to state terms and conditions additional to or different from those stated in the P.O. Packing slips must accompany the shipment. Invoices, packing slips and containers must bear the P.O. number, stock number, vendor lot number, and description of Goods in a clearly visible position. Invoices and packing slips must be marked "complete" when final shipment is involved. SFL Industries shall also have the right to require special, express or air shipments if Seller fails or will fail to meet the delivery requirements of the P.O. and Seller shall pay or reimburse SFL Industries for any resulting additional transportation costs. Notwithstanding anything in the foregoing to the contrary, title to and risk of loss of the Goods shall pass to SFL Industries only upon receipt of the Goods by SFL Industries, and any rightful rejection or revocation of acceptance of any Goods by SFL Industries shall immediately shift the risk of loss of such Goods, wherever located, to Seller. No charges will be allowed for boxing, packaging or cartage unless agreed upon in writing or set forth specifically in the P.O. All containers, pallets, drums, carboys or like packaging materials must be in good condition, clean, free of insects, rodents and foreign material and adequate for the purpose intended and if they are to be returned, must be shipped by Seller on a no charge or consignment basis. Time is of the essence; Goods not timely delivered are non-conforming and shall constitute a breach of the P.O. notwithstanding any other provision of these Terms and Conditions that may allow Seller to replace nonconforming Goods. Seller also agrees to pay whatever additional cost, expense, loss or damage SFL Industries sustains as a result of any delay or any other deviation from the P.O. in addition to any other damages or relief to which SFL Industries may be entitled. If, for any reason, Seller is compelled to use material other than what is required by the Specifications, Seller must promptly notify SFL Industries in writing; SFL Industries then shall have the option to cancel the P.O. without penalty or to agree in writing to the modification. Any consequent delay beyond the date for delivery stated in the P.O. shall be a breach of the P.O. Unless by special arrangement authorized in writing by SFL Industries, SFL Industries shall not be liable for material processed in excess of fabricating, processing or shipping instructions issued by SFL Industries. Any over-shipments are made at Seller's risk and shall be a breach of the P.O., including minimum requirements, without advance written agreement and SFL Industries reserves the right to reject and return the same at Seller's expense. SFL Industries shall have the right to cancel any future delivery on the P.O. for any reason upon ten (10) days' notice to Seller.

Seller acknowledges and agrees that SFL Industries may inspect any commercial lot of Goods consisting of numerous units of the same product by inspecting only a reasonable sampling of such units and that SFL Industries may reject or revoke acceptance of any other units of such commercial lot which SFL Industries at a later time discovers to be nonconforming. If any Goods delivered are nonconforming in materials or workmanship or otherwise, SFL Industries shall have the right, notwithstanding payment or any prior inspection or test, either to reject or revoke acceptance of such nonconforming Goods and to require that Seller promptly replace or correct any such nonconforming Goods at Seller's expense. If Seller fails to promptly replace or correct such Goods after SFL Industries requests Seller to do so, SFL Industries, in its sole and absolute discretion, either may (i) by contract or otherwise, replace or correct such Goods and charge to Seller the increased cost occasioned to SFL Industries thereby; (ii) accept the delivery of such Goods, or accept such service, subject to a reduction in price reflecting the reduced value attributable to nonconformance; or (iii) effect a cancellation for default subject to payment by Seller to SFL Industries of any damages resulting from such failure, as provided in section 13.
